Camino Real Bids to Open November 4th

$390,000 El Camino Project Will Give 4-Lane Roadway

Bids on the long-awaited widening of El Camino Real from Redwood City to San Mateo will be opened in Sacramento on November 4, Acting City Manager C. L. Dimmitt was informed Tuesday.

For the project, which includes regrading, widening, straightening and resurfacing of the 101 route, $390,000 has been budgeted by the state.

Plans are expected to call for the work to be extended to and including the route to Broadway, Redwood City.

START BY THANKSGIVING

Work on the project is expected to start before Thanksgiving, since awarding of the contract is to be made within 10 days of the time bids are received, with work to begin within another 10 days.

Four lanes of 40-foot roadway will be provided between San Mateo and Redwood City northern limits. Seventy-five feet of roadway will be provided through Redwood City, allowing four lanes of travel and local parking on both sides of the artery.

Specifications call for 46,000 cubic yards of roadway excavation to be made in connection with eliminating some of the turns. A total of 10,500 tons of mineral agphaltic concrete will be used on phaltic concrtee will be used on the paving.

RIGHTS-OF-WAY SECURED

Rights-of-way have been secured for the wider highway, and in instances where agreements could not be reached, if any, the state is expected to undertake condemnation proceedings.

City planners and councilmen are expected to lessen restrictions making possible the alterations of buildings which will be affected by the widening.

School Programs Given in Honor Of Columbus Day

"Columbus Day," which was a holiday for county and city officials, but not for public school children, was observed by McKinley Elementary School Monday in a morning assembly.

Following an introduction by Andrew Spinas of the faculty, Gail Fogarty sang a song, "Columbus," and the entire assembly sang "America." "Columbus Day" and "In 1492" were sung by students of the 4B and 5A classes.

"Columbus Westward," a recitation by Nancy Thiel, Jack Burbank, Richard Forrest, Lorraine Hanley and Dorothy Toma was another feature of the program, which was concluded with "Columbus" and "Geography Song" sung by the 5A and 5B. Announcer was David Jackson.

Rogers Street Opening Urged To Bayshore

Planners Seek Speed On Northern Link For Motorists

Opening of Rogers street from Arguello street to the Bayshore highway was urged Tuesday by city planners.

The outlet was held needed by residents of the thickly populated area northwest of Broadway and El Camino Real.

It was pointed out that many motorists now are forced to drive to San Carlos to gain access to the Bayshore highway.

Deed to the right-of-way has been held by the city from the Tacoma Mill Company, and the planners, by motion of John Layng and second of Daniel Stafford, urged council action on the street opening.

Acting City Manager Charles Dimmitt said that he favored the opening of the street only if approval is given for a street surfacing which will bear the traffic. He objected to mere red-rocking of the new link.

NURSERY SCHOOL BAN IN CERTAIN ZONES URGED

Approval of nursery schools in the second class residential districts under proper safety and sanitary conditions and where neighbors do not object was voiced by the city planners.

Objectors appeared to protest the maintenance of one of the nurseries at Jeter street and Hopkins avenue, which is in the first class residential district. The planners agreed that the schools should be barred from the first class district entirely.

The planners had before them the application of Mrs. Herbert Popenoe, 126 Baywood road, Palo Alto, to establish a second nursery school.

On motion of Planner John Layng, the planning commission agreed to request the city council to clarify zoning ordinances setting up zones and conditions under which nursery schools may be established.

PARALLEL PARKING ON BROADWAY DISCUSSED

Asserted need of parallel parking on Broadway to avoid the congestion and traffic dangers between El Camino Real and the tracks was discussed by the planners but no action taken.

Several of the planners held that the parallel parking would greatly enhance the appearance of Broadway, as it was held to have done on Main street.

It was pointed out that Main Streeters, now that they have been accustomed to parallel parking, no longer were objecting to it.

NEW APARTMENTS PLANNED FOR CITY

Establishment of a 15-foot setback on Duane street for a new $15,000 apartment house to face and observe the Broadway setback line was approved by the planners. A. W. Buschke secured the approval.

The planners also approved facing of a new $6000 corner home for Mr. and Mrs. Sam Bright on Grand street on a 10-foot setback, with the 25-foot setback on Brewster street to be maintained.

James Miller, real estate agent, appeared to request that study be given to the whole question of setback lines in the apartment house district. Miller reported that a client plans a new apartment house on Arch street but does not wish to conform to present setback lines. Miller, declaring the need for more apartments, said 5,000 persons had been turned away from Redwood City in the past two years for lack of housing.

The planners agreed to make a personal inspection of Miller's client's requested change.

OTHER MATTERS BEFORE PLANNERS

Permission to subdivide Lot 6, Block 7, Oak Knoll Manor, so that two houses can be built on the 98.69-foot lot, was voted by the planners. The request came from the Redwood Highlands Company, which has a purchaser.

L. E. Werder was granted permission to alter the former Holt realty office on El Camino Real.

Establishment of a 3-pond commercial frog raising enterprise on Stambaugh street near Hilton was approved if neighbors do not object.

Permission to conduct a pony riding yard on El Camino Real between Hopkins and Whipple avenue was given R. J. Calkins.

PURITY STORE TRUCKS BOOST COUNTY FIESTA

In the picture beside one of the trucks are shown Sam Wentz, Howard Griffith, manager of the meat department of Purity; Jack Di Franco; L. G. Kempf, district manager, and Police Chief C. L. INDEPENDENT DEALERS MAP RADIO SHOW

R. C. Merchants Will Present 'Budda' At Sequoia

Plans for a gala evening of entertainment on Wednesday, October 28, open to the public without charge and to be held at the Sequoia Auditorium, were announced at a meeting of Independent Merchants held at Sodini's Tavern Tuesday.

The affair will be in the nature of an hour on the radio and will feature "Budda" and his complete KFRC radio show just as it would be presented on the air.

The independent merchants are sponsoring the show in order to bring before the public the reasons for voting "yes" on Proposition Number 22 on the November ballot.

Admission to the program will be by ticket only and tickets may be secured after next Monday at any independent store.

Manuel Frago is chairman of the committee handling the program, assisted by Leo Fuller and Ralph Hallett.

William D. Ryan presided at the meeting which was attended by 30 independent merchants from Redwood City, San Carlos and Menlo Park.

Baker Should Be Elected

Landon and Knox, if elected, must have congress with them to carry out their pledges to the people. Mr. Landon, the Republican nominee, would be unable to do anything for the people if confronted with a hostile congress.

It is, therefore, important that the Republicans of the Eighth Congressional District elect their nominee, Alonzo Baker, of Mountain View. Mr. Baker is an able man, sincere and honest, and will be a credit to the district.

Two Democratic Talks Broadcast Saturday

Two radio talks by prominent Democrats have been announced for Saturday, October 17th, by Clifford C. Anglim, chairman of the Democratic State Central Committee.

Vice President John N. Garner will be the first speaker, his talk being scheduled for 5 p.m., Pacific Time, and being released in the San Francisco area through KGO.

John V. Lewis, nationally known labor leader, will speak over the same station at 7:00 p.m. His subject will be "Roosevelt and the Future."

150 County Scouts Attend Capital Meet

More than 150 scouts representing troops from every section of the county took part in the annual regional camporee in Sacramento Saturday and Sunday. The 18 patrols went to the State Capitol where they camped with hundreds of scouts from all of Northern California.

Although no competitive judging was made, all of the local council's units made good showings and contributed to the success of the meet. They returned yesterday, having given and received pointers on the art of camping.

76,000 MARK SET BY 1936 FIESTA GATE

Whether Flower Show Paid Way Not Yet Determined

Where Sunday 25,000 more beauty lovers exclaimed over magnificence of San Mateo county's second annual products and floral fiesta, workmen were busily dismanteling exhibits and removing flowers and produce Monday as leaders began talking of a new show for 1937 that will have an attendance mark of 76,000 to exceed if it betters this year's record.

Acclaimed a success by fiesta workers, exhibitors and patrons alike, the exhibition was closed at 11 o'clock Sunday night.

The close came after another joyous evening which saw the grandstand jammed again as the final presentation of "The Quest," pageant, was offered and selection was made of Miss Joyce Lyford, Burlingame high school girl, as "Ambassaddress of Good Will."

EXPENSES UNCERTAIN

Hope was held by officials on Monday that the 1936 fiesta would show a monetary profit, but Manager Martin Poss said that exact amount of expenses connected with staging the presentation would not be known for perhaps two weeks.

"From all appearances it looks as if the show were going to be very successful," Poss declared. "It is said to have been one of the finest flower shows between San Francisco and New York. Three or four of the exhibitors told me they had attended all the eastern shows and that we have to take off our hats to none."

Cooler Weather Calls for Check Of Motor Oil

"With cooler mornings coming on, it will be more necessary to watch the speedometer mileage between one crank case drain and another," said L. H. Hausam, local manager for the Shell Oil Company here.

"Excessive use of the choke, as a result of this cooler weather and the increasing stop-and-go driving conditions of today are causing a greater dilution of the crank case oil," he said.

Fletcher Asks Depot For Greyhound Lines

Belief that the Greyhound Lines should maintain a depot here and not just a ticket office was expressed by Councilman Evans Fletcher at the council meeting Tuesday night.

Fletcher pointed out that Greyhound has depots in Palo Alto, San Mateo and Burlingame. Mayor Paul McCarthy appointed Fletcher to contact the stage line officials.

EDWARD ARNOLD AT THE REDWOOD

Arnold as Nero Wolf is shown here telling Lionel Stander and Victor Jory that he can solve any murder mystery without leaving his desk. Arnold features the film, "Meet Nero Wolf," which, along with "Panic on the Air," in which Lew Ayres is the star, is now playing at the Redwood Theatre.

CITY PLANS $350,000 1915 ACT BOND ISSUE

Substantial Savings Since 1935 Permit Smaller Issue

Plans to submit a $350,000 bond issue to the citizens of Redwood City to replace the $425,000 issue voided by the supreme court recently on the 1915 act street debt refinancing program were agreed upon by the city council Tuesday night.

Steps to set the bond election for late in November or early in December will be taken Monday night, it is expected.

Lowering of the amount of the bond issue is being made possible, it was explained by J. C. Youngberg, San Francisco fiscal expert employed by the city, by the fact that during the year the city has succeeded in lining up sufficient 1915 act bonds at prices substantially below par as to effect a material saving.

WON WIDE APPROVAL

The $425,000 issue, voted September 24, 1935, by an 8½ to 1 approval, was voided August 31, 1936, by the supreme court in declaring the 1915 Municipal Bond Investment Act under which the city proceeded, unconstitutional.

The new bonds, it is explained by Mayor Paul C. McCarthy, will be necessary to relieve all taxpayers of the legal liability of making good on the large amount of 1915 act improvement bonds now in default in some 37 assessment districts in Redwood City.

Only by refinancing the existing debt, it is explained, will Redwood City again avoid the threat of the direct increase in taxes to meet the obligation.

Direct, immediate effect of the approval of the first issue, now voided, was the reduction of 20 cents in the tax rate and the saving of $29,774 to the taxpayers.

FORECLOSURES DUE

Foreclosure proceedings to secure the holdings in front of which the defaulted improvements have been made have been started by the council to reimburse the taxpayers for the bond credit extended.

Council members agreed to retain services of Youngberg as fiscal agent of the city in the 1915 bond act refinancing program.

REDWOOD CITY PIONEER DIES IN HOSPITAL

Goertzhain of Nursery Fame Lived Here For 35 Years

In ailing health for the past year, Henry L. Goertzhain, developer and owner for the past 35 years of the Redwood City Nursery on El Camino Real near Selby lane, died Tuesday afternoon in Mills Memorial Hospital, where he had been for the past week.

Members of his family had been with Mr. Goertzhain during the day after doctors had informed them that death was imminent. The end came at 2:45 p.m.

Born in San Francisco November 2, 1869, of a pioneer family, Mr. Goertzhain had lived in the bay region all his life. He was educated in the San Francisco public schools.

Coming here at the turn of the century, Mr. Goertzhain almost immediately entered the nursery business, conducting it in such a manner that it became widely known, especially for its cut flowers and floral decorations.

Left to mourn the passing of Mr. Goertzhain, who had taken an active part in the city's business life and was a member of the Redwood City Chamber of Commerce, are his mother, Mrs. Eliza Goertzhain, and the following brothers and sisters: Louis, Herman, Joseph, Frank, Louise and Lillian Goertzhain and Mrs. Annie Burkhardt, Mrs. Minnie Carew and Mrs. Emma Rowen. All live in Redwood City except Mrs. Burkhardt, who makes her home in San Francisco.

Sequoia P.-T. A. Sends Out Call For Old Records

Anyone having a collection to be donated is requested to telephone Mrs. Ted Andrews, Redwood 908, and she will call for them.

THE MENACE OF MONOPOLY

DOES IT EFFECT ME ARE YOU?

A PARENT?

When monopoly controls the necessities of life—when they can say to the consumer, "You'll pay my price and like it;" to the farmer, "You'll take my price because you haven't anyone else to sell to;" to the graduate of high school or college, "You'll work for whatever we choose to pay you," . . . . what opportunity will there be for your children?

A FARMER?

Mass buying on the part of the chains forces down the price received by the farmer but does not pass this saving on to the consumer.

OVER 40 YEARS OLD?

Have you ever seen a gray-haired employe in a chain store? Every community must protect the employment of its middle-aged as well as its youth or suffer the consequences.

A SALESMAN?

Over 1,000,000 prosperous, highly paid salesmen lost their positions as a result of chain store mergers and buying methods within the last three years.

AN ATTORNEY?

Other than simple clerical work, which necessity forces them to do locally, there is no legal business available from the chair store for attorneys in local communities.

COUNTY BANK ESTABLISHED AT QUARTERS

Consolidates Offices With First National After Removal

Completion of the removal of the San Mateo County Bank and consolidation of its quarters with the First National Bank at Main street and Broadway was announced Tuesday by Edward T. Harrison, vice president and cashier.

Fixtures and equipment of the county bank were removed from the old banking quarters at California street and Broadway to make way for the new branch bank there of the American Trust Company.

The San Mateo County Bank was established in 1903 by the directors and stockholders of the First National Bank. At that time, the national banking laws prevented a bank operating under a national charter from making real estate loans, Harrison explained. Firmly convinced that the growth of Redwood City required such services, the San Mateo County Bank was incorporated under the California State Banking laws, he said. In addition to savings functions, the bank also conducted a commercial and safe deposit business.

"Provisions of the new National Bank Act recently passed by Congress now permit national banks to make real estate loans. Rather than have a duplication of services and added expenses of operation, the San Mateo County Bank will shortly relinquish its state charter and merge with the First National Bank under its national charter," Harrison said. "The result of the consolidation will be to give Redwood City one of the strongest independent banks in the country, with a capital and surplus of over $400,000, and total deposits of over $2,000,000. Too, with the economies brought about by the merger, it is now possible to reduce the rate on real estate and commercial loans to 6 per cent," Harrison said.

VOTERS:

You Can and Should Kill This Tax

Defeated once, the old Sales Tax on Food is back again in disguise... along with *added taxes* on other necessities of life

On your November ballot, it masquerades as a "Retail Store License"—Proposition #22.

But brought down to cases, it is a hidden sales tax on food and other necessities. A tax for the consumer to pay in *higher prices.*

It charges individual stores $1.00 a year for the right to do business. It taxes chain stores $500.00 for each store over nine. *But it is you who will really pay.*

For, as the U. S. Federal Trade Commission states...

"If the ability to undersell, based on greater efficiency or on elimination of credit and delivery cost, is destroyed by taxation, it is the consuming public which will really pay the tax and not the chain."

Why? Because four out of five chain stores do not make enough profit to cover the tax.

For chain stores operate on a small profit. They eliminate middlemen's profits and unnecessary in-between expenses. The savings they make by operating efficiently are passed on to you in prices 10% below the average. The Harvard (University) School of Business Research states these to be the facts.

Thus chain stores must raise their prices or go out of business. If they raise prices, you will pay the tax.

If they go out of business, their competitors can raise prices even more—and you will pay.

Further, this tax is admittedly *not for revenue purposes.* It is a subsidy for wasteful business methods—at your expense.

So if you think that chain store competition helps to keep *all* prices in line with your pocketbook—if you are opposed to higher taxes on foods and other necessities—*vote NO and keep prices low.*

For no matter what name they give it ...no matter how cleverly they disguise it...*22 is a tax on you—VOTE NO!*

22 IS A TAX ON YOU—VOTE NO!

Legion Auxiliary To Present Play As Fund Benefit

"The Gay Nineties," a comedy, will be presented under the auspices of the American Legion Auxiliary Unit No. 105 at the Sequoia auditorium November 19 and 20, for the benefit of the auxiliary's scholarship fund.

The committee in charge is composed of Mrs. Pauline Karns, Mrs. Mary Hayes, Mrs. Millard Berry, Mrs. Ethel Granger and Mrs. Florence Donnelly.

During the past year 170 students in the state, 90 in high school and 80 in college, have been aided through the auxiliary's education revolving loan fund.

Next social meeting of the unit, will be a costume party at the home of Mrs. Floyd Granger, 827 Brewster street, Monday evening, October 19.

BOARD TOLD TO HOLD UP PORT WORK

Terms and conditions applicable to the PWA grant of $71,235 have not yet been formulated, and no contract should be let on Port Redwood City development for the present, the Federal Emergency Administration of Public Works (PWA) advised Mayor Paul McCarthy Tuesday.

Any action taken contrary to this advice, according to A. D. Wilder, state director of PWA, "will be at the risk and may result in complications necessitating cancellation of the allotment."

"It is of utmost importance that bids be not invited, contracts awarded, or any other steps taken toward commencement of work on the above project until an offer has been received from the government and accepted," Wilder said.

Allotment of the $71,235 by PWA, announced October 6 after nearly a year's wait, is subject to confirmation by the comptroller general.

No work is contemplated by the city until the validity of the $200,000 bond issue voted June 11 is established by the supreme court, and until after the port commission, soon to be named, has gone into questions affecting port business.

Woodside Proud Of Community's Part in Fiesta

WOODSIDE, Oct. 12—Woodsiders who attended the San Mateo County Products and Floral Fiesta were high in their praise today of this community's showing.

Outstanding was the Woodside Gardeners' exhibit for the most unique display for a gardeners' association. The local group won first prize for its Roman sunken garden scene, which was located just outside the main building. Attracting comment was the background painting done by Ralph Ledesma and L. Leonardi. Others aiding in preparing the exhibit were D. C. Schroeder, Otto Meerly, Frank Fannell, Walter Prehn, John Archibald, Joe Ramies, Nick Pasterino, O. Durham, Ivan Borro, Al Figuera, David Slade and J. Chaippelone.

The fruit and vegetable displays were in the charge of Victor Canavese and Antone Silviera, and represented contributions from local estates. The fruit display won first prize; the vegetable, second.

Several local garceners received high awards for individual exhibits. The best display of gourds was possessed by D. C. Schoder of the Lillick Estate in Menlo. Victor Canavese of the George Sommers estate received a first for a basket of fruit. Nick Pasterino received first and second on two displays of gebers, transvaal daisies. John Duzanica of the Morshead estate received first and second awards on extensive displays. Louis Kezich of Portola was also a prize winning exhibitor.

Woodside school children also had a prominent part. Dan Wood's tallyho carried the younger children, who wore brilliant flower costumes, while the older ones marched.

Mrs. Andrew Loushin and Principal J. D. Gish of the school served on various committees.

RETURNS TO WOODSIDE FROM LAKE TAHOE

After closing her summer house at Lake Tahoe for the fall, Mrs. William Wallace Mein returned last week to her Woodside home.

Menu Flashes by Joan Andrews

A rough diamond, indeed, is our friend the celery root. But it is a vegetable of sterling worth and excellent flavor. Celery root cooked and cold is a delicious adjunct to any number of salads. For a fine, savory hot vegetable, cook the celery root, then prepare a cream sauce. You'll find that the children will eat creamed celery root with gusto, and it's a dish that is highly nutritious.

Extra food and health values are supplied by the use of rich, wholesome Golden State Milk. The inclusion of a generous amount of milk in each day's menus is as important to your health and well-being as to your children's. You'll find that the rich, creamy flavor of Golden State Milk makes milk drinking a pleasant habit.

DEMOCRATS

The future of our party is at stake. President Roosevelt has wrecked the finest platform ever drawn up by the Democratic Party. He has repudiated its pledges and has forgotten its name. He and his advisers boast they are "New Dealers," not Democrats. Roosevelt has abandoned you and your party as lightly as he would like to abandon the Constitution which he swore to revere and uphold. For your party's sake you should

VOTE

to repudiate the wreckers of Democratic principles of government. Wreckers who take their advice from pink-tinged Tugwells, Frankfurters, Dubinskys and Hillmans. Wreckers who advise the President who recently wrote urging a Congressional committee to ignore the Constitution. Wreckers who are taking your money and throwing it recklessly around. Wreckers who, ignoring the platform Roosevelt said he would support 100%

FOR

the doctrines of Stalin which they have embraced, have long delayed recovery in this country. Yet from March 4, 1933, to June 30, 1936, the fabulous sum of $25,000,000,000 has been squandered while eleven million are still unemployed. Hundreds of the foremost leaders of the Democratic Party have "taken a walk" in protest. They believe their action shows loyalty to the Democratic Party rather than disloyalty, since they will be voting November 3 for

AMERICA

and its age-enduring institutions and liberty. The Democratic Party will be a thing of the past if Roosevelt and his "New Dealers" are re-elected. You cannot continue to spend $2 for every $1 you take in without soon facing disaster. The future of the Democratic Party may be preserved and rescued from the wreckage only by repudiating those who have repudiated you. Party loyalty demands you defeat the un-American profligates in Washington by voting for Landon and Knox and candidates for Congress who will support these nominees.

MENLO PARK NEWS

Percy Copp and his wife and son have just returned from a three-month trip to England. Mr. Copp has ben the chief gardener for the Heller estates for many years.

On Wednesday evening, October 21, at the auditorium of the Central School, the local Republicans will hold a rally, perhaps the last of the campaign. Mr. Alonzo Baker, nominee for congress, will address the meeting. An unfortunate religious discussion has crept into the Baker campaign and in order to explain this a group of men and women of Menlo Park will hold a meeting soon. It will be addressed by Mr. Al Schirle, San Jose, a former state grand knight of the Knights of Columbus. The public is invited to attend this meeting.

Republican headquarters have been opened in the bank building, in charge of Mrs. Isabelle Lindquist. All are invited to call and secure literature and buttons. The place is open from 9 to 5 o'clock. The Republicans are making every effort to carry Menlo Park for Landon, Knox and Baker.

Mrs. Charles Coxin, who will be 89 years old on her next birthday, is very ill at her home on Oak Grove avenue. Owing to her advanced years and infirmities, it is doubtful if she will recover. Mrs. Coxin came to Menlo Park in the seventies and has resided here ever since. Her daughters are at her bedside.

Joseph Reynolds is recovering nicely at the Community Hospital. He has been quite ill.

Edward Feeley, who has been seriously ill for some weeks and who came home recently, was taken back to the hospital in San Francisco.

The Menlo Park City Council has appointed Hans Agard a special deputy in the police department to take the place of J. H. Heltzel. Mr. Agard will take over the grammar school asisgnment.

It is rumored that a San Francisco bank is to locate in Menlo Park in place of the American Trust Company that is going to Redwood City.

Last Sunday afternoon there was a big rally of Republicans at the beautiful estate of Mrs. Andrew Christenson, Beaulieu, Cupertino. The meeting was under the auspices of the Los Altos Republican Women's Club. Ruth Comfort Mitchell, the noted author and lecturer, presided and demonstrated her ability as a presiding officer.

Mr. Spink, a former Democratic leader, made an eloquent address explaining why he deserted his party. Probably the best address of the day was made by Alonzo L. Baker, Republican candidate for congress in the eighth district. His fine oratory made a decided hit with the big gathering. Mr. S. F. F. Morse, head of the eighth congressional district and northern manager of the Landon and Knox campaign, closed the meeting with an eloquent speech.

Others who spoke were Mrs. Tood and Mary McGinn, Oakland. The musical program was excellent. "Oh Suzannah" was sung lustily by the crowd.

W. H. Weeden and his daughter, Isabelle Lindquist, and D. E. O'Keefe represented Menlo Park at the rally. The Christenson estate is one of the show places of the state. It was this property that the former Barbara Hutton, the heiress and now a countess in Europe, sought to buy but did not complete negotiations.

Mrs. Emma Clancy, who spent the summer at Casa Real, Palo Alto, is again at her home on Valparaiso avenue. Mr. and Mrs. Samuel Schwartz, who occupied the Clancy home for the summer months have moved to the home of Mrs. Rosemary Schwartz in Atherton.

Clark Congdon of Palo Alto has registered at Northwestern University at Evanston, Ill., being one of 50 students from California enrolling there. He is the son of Mr. and Mrs. C. H. Congdon, and is a graduate of Menlo Junior College.
